

Child Restraints

Guidelines for the safe travel of children

Valid as of 1st January 2017

Frequently Asked Questions

What is the minimum age to be permitted to travel in an Apollo Motorhome Holidays vehicle? Australia and New Zealand: to be allowed to travel in our vehicles children must be aged over 6 months.

USA: to be allowed to travel in our vehicles children must be over the age of 2 years old.

What are the required child restraints for children aged under 4 years?

Australia and New Zealand: children aged from 6 months and less than 4 years are allowed to travel in our vehicles only if they travel in an approved baby seat. An anchor point is required for the baby seat and must be forward facing only.

USA: No vehicles can accommodate children under 2 years old as our vehicles cannot accommodate rear facing child restraints.

What are the required child restraints for children aged over 4 years?

Australia and New Zealand: children aged between 4 years and under 8 years are allowed to travel in our vehicles only if they travel in a properly adjusted and fastened booster seat.

USA: children aged between 4 years and under 8 years are allowed to travel in our vehicles only if they travel in an approved booster seat.

What child restraints are applicable for children over the age of 8 years old

Children over the age of 8 years old do not need to be secured with child restraints in our vehicles legally, however they are able to if required.

Who's responsible to fit the seats in the vehicle?

It is the customer's responsibility to fit the Child Restraints in the vehicle

Child Restraints

Guidelines for the safe travel of children
